

June 23, 2025

Dear Local Business Owner:

On August 21, 2025, a team of volunteers and I are hosting the 14th Annual Big Kahuna Golf Outing at Terry Hills Golf Course in Batavia, NY. I am hoping this exciting event is our opportunity to make a meaningful impact. Through various raffles, a basket and prize auction, we raise funds to support Roswell Park Cancer Institute.

We are currently seeking donations to ensure the success of our event. We gratefully accept monetary donations or contributions to our basket auction. It is a wonderful way to showcase your business and demonstrate your commitment to the community.

Additionally, for just \$100 you can sponsor a hole during the event. Your business name will be prominently showcased at one of the golf course holes, offering great visibility and promotional value throughout the day.

Donations can be mailed to the address below, or we can arrange for pickup at your convenience. To coordinate, please call me at (716) 574-0863 or email me at gmerlino@e1b.org.

Thank you in advance for your generosity and support.

Warm Regards,

**Garth Merlino
